

Position Beechjet Captain
Organization North Central Aviation, Inc
Website www.flyncatoday.com

Position Overview

North Central Aviation is currently seeking a Beechjet and Nextant pilot. North Central Aviation is an aircraft management and charter company in the Minneapolis/St. Paul metro area.

Responsibilities

The primary responsibility will be flying a Nextant 400XT and Beechjet 400XP under part 91 and part 135 while conducting a safe operation within North Central Aviation General Operations Manual and the FAR's. Normal duties include pre-flight planning, monitoring weather, calculating aircraft performance, filing flight plans, conducting a safe operation of the aircraft, and assisting in keeping the aircraft clean. Candidate will demonstrate exceptional judgment, communication skills, and customer service.

Qualifications

Airline Transport Pilot Certificate
First Class Medical
3000 hours Total Time
250 hours in type preferred
Must live in, or be willing to relocate to the Minneapolis-St. Paul area

If you are interested in working for North Central Aviation, please send your resume and pay requirements. No phone calls please. We look forward to hearing from you.
