

**Position** Chief Pilot  
**Organization** North Central Aviation, Inc  
**Website** [www.flyncatoday.com](http://www.flyncatoday.com)

### **Position Overview**

North Central Aviation is currently seeking a Chief Pilot to add to their management team. North Central Aviation is an aircraft management and Part 135 charter company in the Minneapolis/St. Paul metro area.

### **Responsibilities**

The primary responsibilities will include hiring and managing pilots, managing pilot schedules, maintaining pilot records, and coordinating training and checking events. Candidate will demonstrate exceptional judgment, communication, organizational skills, and customer service. Should have firm knowledge of FAR Parts 61, 91, 119, and 135. This position reports to the Director of Operations.

### **Qualifications**

Airline Transport Pilot Certificate  
First or Second Class Medical  
Minimum of 3 years' previous experience as a pilot in command of a Part 121 or 135 operation  
Previous management experience  
Must live in, or be willing to relocate to the Minneapolis-St. Paul area  
BE-300 or BE-400 experience preferred.

If you are interested in working for North Central Aviation, please send your resume and pay requirements. No phone calls please. We look forward to hearing from you.
